#### SUMMARY OF PREVIOUS STATE BOARD OF EDUCATION DISCUSSION AND ACTION

The Board approved an identical waiver request for this district on September 12, 2002, and this type of waiver is only good for two years.

#### SUMMARY OF KEY ISSUES

The district, in Lake County, operates two schools, one for grades K-5 and one for grades 6-8. The combined enrollment is about 670 pupils. The schools currently operate with one administration, one parent club, and (through an existing waiver) one school site council. Approval of this renewal would allow the district to continue to have a single school site council for the two schools.
